

Declares that the product:

Reference Model:
MB1651

Placed on the market as product(s):
1651

Conforms to essential requirements and relevant provisions of following European Directives provided that it is installed, maintained and used in the application for which it is intended for, with respect of the “professional practices”, relevant installation standards and manufacturer’s instructions:

Directive	Field of application
2014/35/EU	Low Voltage (LVD)
2014/30/EU	Electromagnetic compatibility (EMCD)
2011/65/EU (amended by Directives (EU) 2015/863 + 2017/2102)	Restriction of the use of certain hazardous substances (RoHS)
2009/125/EC (regarding still active articles)	Ecodesign for Energy-Related Products (ERP)

Standard(s) used to show compliance when applicable:

Scope	Article	Standard	Version	Comment
Safety	3(1)(a)	EN 62368-1 EN 62311	2014 +AC +A11 2008	MME Safety EMF
EMC	3(1)(b)	EN 55032 EN 55035 ETSI EN 300 386	2015 +A11 2017 +A11 V1.6.1	MME Emissions MME Immunity Non Radio Networking products
Various		EN 63000 (EU) No 2019/1782 (EU) No 2023/826	2018 2019 2023	(RoHS) (ERP) - External PSU (ERP) - Stby & Off mode

Annex to EU Declaration of Conformity MB1651

(EU) Commission Regulation 2023/826 (Standby & Off-mode, Network Standby)	
Class of product (acc. to Annex III 3.(b)(3))	Networked Equipment. According to (EU) Commission Regulation 2023/826, the concept 'Network Port' is not applicable to the above referenced product, as it is not able to remotely be activated through any of its Network interfaces (none of the Network interface has wake-on functionality).
Power management functionality Off / Standby mode (acc. to Annex III 3.(b)(7)(a))	Inappropriate for intended use of equipment. Technical justification : • Equipment that deliver network access with bandwidth and 100% availability SLA committed by the operators to their end customers. • PABX functionalities (Remote Power Feeding/FXS/BRI/PRI whenever featured) and/or router functionalities (including transport of wake-on trigger) must be permanently available for downstream equipment.
